If in stock, all orders are dispatched within 24 hours. If not in stock we will do our best to make sure that the wait for goods is as short as possible, but in these cases please allow 28 days for delivery (or longer in the case of overseas surface post). Please also be aware that specially ordered hand-knitted Ganseys can take from 4 to 8 weeks to have knitted. In general, for UK orders, items weighing less than 1¼ kilograms are dispatched by first class letter post and should arrive within a matter of days. Heavier items (such as knitting kits or multiple packs of wool) are sent by ordinary parcel post which normally takes some 3 to 4 working days. International orders can take anywhere from a week to some months, depending upon the shipping method chosen. Please note that Ganseys are normally sent Special Delivery within the U. K.
